Membership/Membership Renewal Form (FORM A)

The Home Education Network - HEN - was launched at a National Conference in July 1999. We are a *National organisation* which provide **support** and **information** to families living in Ireland (in accordance with their constitutional rights) who are providing education for their children at home. HEN also **lobbies** our public representatives to ensure that home education remains a right for everyone.

We publish a vibrant and stimulating quarterly **newsletter**. We invite you to **contribute** articles: letters, accounts of everyday life home educating, resources or ideas that have helped you help your children learn, book reviews, CD reviews, etc. We especially welcome **children's** accounts of being home educated, what they like learning, their jokes, riddles, drawings, poems, stories and letters.

HEN is an all-embracing organisation, welcoming all home educating families.

Anyone wishing to be involved in any way in running the organisation is welcome to contact the National Coordinating Body. We welcome any ideas or suggestions.
